DIRECTIONS TO JIRA

From Brookwood Hospital:

Leave Brookwood Hospital Campus heading South on Highway 31. Drive approximately 3½ miles. *(You will pass Vestavia City Center, Publix, Vestavia Civic Center, Premier Gymnastics and a large church on the right, then Pier One, and Vestavia Bowl on the left before reaching the turn.)*

Turn Left onto Vestavia Parkway. *(Bruster's Ice Cream and Milo's will be on opposite corners at the turn.)*

Once on Vestavia Parkway, you will pass Anthony's Car Wash on the right. At the top of the hill, the Shelby Building will be on your left followed by the Walker Building *(also on the left)*. Vestavia Office Park will be next on your left. Vestavia Office Park includes the 300 and 200 buildings. The 300 building is on the left end of the complex. If possible, park in the lower left parking lot rather than the upper front parking lot. From the lower lot, follow the sidewalk straight to Suite 2300.
