DIRECTIONS TO JIRA

From the Galleria Mall:

From the Galleria Mall, head north on Highway 31. Drive approximately 3 ½ miles. (You will quickly pass the on-ramps for I-459. Then, nearer your destination, you will cross under I-65.)

Watch for Milo's on your right. At the traffic light by Milo's, turn right onto Vestavia Parkway.

Once on Vestavia Parkway, you will pass Anthony's Car Wash on the right. At the top of the hill, the Shelby Building will be on your left followed by the Walker Building (also on the left). Vestavia Office Park will be next on your left. Vestavia Office Park includes the 300 and 200 buildings. The 300 building is on the left end of the complex. If possible, park in the lower left parking lot rather than the upper front parking lot. From the lower lot, follow the sidewalk straight to Suite 2300.
