DIRECTIONS TO JIRA

From I-459:

From I-459, take I-65 North. Take first exit (#252). Merge to right at the end of the exit ramp, heading North on Highway 31. At first traffic light, turn right onto Vestavia Parkway. (Milo's and Bruster's Ice Cream are on opposite corners.). Once on Vestavia Parkway, you will pass Anthony's Car Wash on the right. At the top of the hill, the Shelby Building will be on your left followed by the Walker Building (also on the left). Vestavia Office Park will be next on your left. Vestavia Office Park includes the 300 and 200 buildings. Our building, the 300 building is on the left end of the complex. If possible, park in the lower left parking lot rather than the upper front parking lot. From the lower lot, follow the sidewalk straight to Suite 2300.
